Re: Whirlwind Mine
San Juan County, Utah
DOE/037/020

Dear Mr. Clark:

Please find enclosed a copy of the mining and reclamation plan filed by Mr. Redd for the Whirlwind Mine.

Since the proposed activity involved less than two acres of surface disturbance it was exempt from filing with our Division under the Utah Mined Land Reclamation Act. However, because a State Mineral Lease is involved reclamation must still be performed according to the stipulations in the lease agreement with the Division of State Lands. Please refer to the enclosed Mining Memorandum.

When you have made a decision as to what activity is proposed for the Whirlwind Mine, please notify both our office and Mr. John Blake of the Division of State Lands.

If you have any questions, please don't hesitate to call.

Sincerely,

JAMES W. SMITH, JR.
